Dear Counsel:

I note that Judge Roach set this matter for jury trial on September 8, 1997. We can honor that date, but we will require a docket control order and a setting for a formal pre-trial conference.

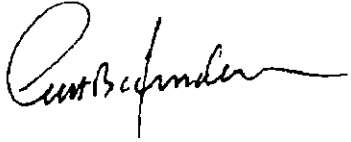

The docket control order should contain deadlines for discovery, amended pleadings, witness designations, etc. If you can't agree, we can handle it by telephone conference. Contact my court coordinator, Carolyn Cain, to get a copy of our form: Informal Docket Control Order.

The formal pre-trial conference is generally held about 7 to 10 days in advance of voir dire. I suggest that we schedule this one for September 2 or 3, 1997, with a discovery deadline of approximately August 15 or 22.

Also, I believe the District Clerk will be giving the case a new prefix of 219, but the cause number 00596-97 will stay the same.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Curt B. Henderson". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
